Madison Aug 24 (86).

Dear Judge Tompco

By the politeness of somebody
I am in receipt of last Saturday's issue of the
Inter Ocean.

It contains your article,

I ran over it with
great satisfaction. I liked your Leader Ar-

article you had a touch more modesty

Cleveland audience, although both
needed elaboration, and they have

say I have seen one twice &
the is said that "once a judge always
a judge." With kindest regards to Mrs
D. I am

Sincerely

Wm. Fairbank

I have it too over

You have been cross the whole
journey in a mosty manner
and it did the worse of
of your conduct to other,
