Dear Madam

Your letter has been forwarded to me here. I shall be glad to have Mr. Tongue prepare an advertisement of "Buttons Men" for the Octo. no. of "The Chautauque" to occupy half a page.

I am sorry I did not know of your desire to have an early copy of the book. It is now too late as by this time, if all went right, the book is scattered far & wide, publication day having been set for Sept 1st.

Two copies have been forwarded to Washington, to complete the copy-right taken out by you, and ~~two~~ copies, for the author, to you.

The price of the book for you & the Inter Ocean will

be at the same rate of discount
as before the price being \$1.25 at retail
instead of \$1.00.

Yours very truly
Thos. Kiles

Miss Emma K. Tourgee

The book will be advertised in
~~the papers of Sept 1905~~
