Dear Mr. Howard

My father was
in Europe and I'm commu-
-nicant when your letter ar-
-rived, - and it was only
yesterday on my return home
that I read it.

I have written to my
brother the printer to ask
about Judge Tompée's

portrait plate, - and
will write to the Judge
tomorrow when I get an
answer.

Regretting the
delay,

Yours truly

Emily Sartain.
