Judge A. W. Touger,
Mayville, N. Y.

Dr. Sir:—

Your letter containing
information concerning my
brother, Columbus Johnson,
was duly recd.

Many thanks for your kind-
ness. Please pardon me
for asking another ques-
tion. After receiving your
letter I wrote C. a strong
one telling him just what you
said and how bad it made

his mother & relatives
feel. He has replied saying
that he was not guilty of
larceny, but was advised
to so plead in court
by his lawyer. He then
gives a history of his case
and promises to reform
thinking that this experience
is enough for him.

His mother and aunt are
anxious to do all they
can for him and are
very much worried. They
want him to have a
lawyer when his case

comes up. Columbus
has written something
concerning S. P. Fox of
Forestville. Please let
me know if he is a
reputable attorney and
would do to take the
case. They want you to
take it but I told them
that I thought you were
not practicing now and if
so evidently did not want
the case.
Please let me hear from you
about S. P. Fox or some good atty.

Very respectfully,
address E. A. Johnson 116 West 8th St.
