Tuesday Morning Sept 6th 85

Dear Judge

I have this evening done a gain your favor of the 3rd 5th

I am glad you some time ago took off your coat in this matter of the party now the country, and that now you have called up your sleeves,

I told you the truth some time ago that one great reason I have for the success of this movement was in order that justice should be done you for your sacrifices, and I know it. Never out or accomplished with the gang at the helm.

It is going all right, when I see you I will tell you of some of the work that has been done, and you will be astonished; when I think of it I am amazed at the way I have kept myself out of sight. If the gang have struck my trail they have not made it public. Am A. R. Conroy, Sincerely Yours
