My Dear Judge,

Yours 6th with sample Eptets read. They are
not kept in stock, but can have them made to
order. Can't tell how soon they could make them,
and die
A punch for setting them by hand will also
have to be made to order and will cost \$5.00
Shall I order the punch & die?

Eptets are worth some when in the neighborhood of 4 or
5¢ per 1000, couldn't give me a price yet.

Shall I order 200 or 500, each size, I will say
nothing about them or the punch & die until I hear from
you.

Am almost knocked out with my fever.

Estlinford

Regards to all - wife is well, -
