

Hono

Sept 25 1887,

Dear Judge Amos,

I am most
 sensible for the satisfaction afforded
 by the receipt of a beautiful copy
 of

Butter's Inno.

from the pub-
 lishers, and I heartily acknowledge
 to you and will pay the price of
 the same to the publisher, if he pre-
 sents his bill.

Some of youring is as true, true
 I am far to say that your brief
 is infinitely better than I have
 after insisting so many times
 that I would strive to live at the
 home that has a "Cupola" and appen-
 tenances and failed to put in an appearance.

I am as ever
 Yours faithfully
 S. Newton Pettis
