Dear Judge Emery

Enclosed find clipping
from our morning Daily Tribune, I believe
I sent you "Entirely" vision, as it can
be used in that also.

The work goes on ^{well} this morning I am
in receipt from some one in Illinois the
Champaign Gazette, Rockford Register
Bloomington Telegraph and the
Schuyler Co Citizen and also Occasional
all containing the same for like.

I shall telegraph you this afternoon ask-
ing you if you expect to be at home
the 5th Wednesday of this week, not
now saying I will be at Mayville
for fear that it will be a Lie.

We should not say so.

Yours faithfully
Samuel Pillsbury
