A. W. Tourgee, Esq.,

Dear Sir:--

Illness has prevented Mrs. Dodge from making earlier answer to your letter and must now excuse the absence of a personal reply.

She requests me to express her thanks for your attention to the magazine, and her sincere regret that the number of serials now on hand and existing arrangements concerning others make it impossible for St. Nicholas to avail itself of the opportunity offered by your letter.

Yours respectfully,

Assistant Editor
S. Nicholas
