Mrs Lougee,

Yours recd.

I placed your fathers grave stone flat down on the grave making the broken pieces meet. you can read it and I think it looks equally as well I think you would be much pleased if you could see it.

Now concerning the school to pay a third teacher we need \$125.00 that is ~~\$25.00~~ per month for five months.

Mrs Lougee if you could help us out of this we will be very thankful.

Friend send love

Truly Yours

H. Urshank

We wish to begin school next Monday.
