

Hunter & Cumings,

PRODUCERS OF PETROLEUM.

Tidioute, Pa. Oct 8 1887

Hon. Am. Boyer
Dear Judge

The enclosed from F. N. & H. S. Pleas
itself. Please return the letter to me when you
are through with it. I do not know when
Answer I should make to them. It looks to me
as though their proposition if accepted would result
finally in the absorption of all the profits of the
Copy right by the publishers and yet perhaps their
proposition is under the circumstances just and fair.

You can judge better than I as to that.

Please advise me when answer
I should make.

Yours very truly
H. H. Cumings
