J. H. Ward Esq Dear Sir

I enclose check for \$1.00 ^{money} than
this ass't calls for as the judge
told me that he looked that amount
required when he found the order
paying but \$8. when it was pre-
sented I do not understand
the "Quantity due" in the corner
the judge always expects me to
attend to such matters and I
wish to avoid all such things that
I may make an mistake
