Dear Madam -

Your postal of the 15th is at hand.
The "Record" of this place published the
address the night on which the Re-union closed.
I mailed you a copy a day or two ago -
The "Republican" copied it - substantially
from the "Record" but - neither is quite
satisfactory to me - I have not yet
printed my report of the proceedings, and
if the Judge will correct his speech
I shall be glad to put it in the pamphlet
as corrected - I send you by today's mail
a copy of the "Republican" which perhaps
can be corrected and returned to me in
the shape you would like to have it
published -

Yours truly
M L Maynard,
