Judge A W Tougee
Mayville N.Y.

Dear Comrade

I received a letter from
Mrs Tougee asking that you
could have the privilege of
correcting your speech made
here at our Re-union - before I
published it in my report
of proceedings - I immediately
answered the letter and sent
a copy of the paper containing
it, as the reporter took it -
I have had no word from you
since. Is that report satis-
factory? If so I will have
it in the pamphlet in the
same way - I am all

ready to have the report
printed - merely waiting
to hear from you -

Fraternally Yours
