

Chardon Ohio Nov 11/90
Dear Comrade

Yours of the 7th at hand -
I have taken the speech as
published - and the notes
which my daughter took -
and we have between us
"fixed" it up the best we could,
and hope it will be satisfac-
tory - I will send you a
copy as soon as it is
printed -

My family unite with
me in sending remembrances
to yourself and Mrs J. and
hope to see more of you in
the future -

Yours fraternally
W L Maynard
