Dear Sir -

In the enclosed table
you will find the information
asked for in your note of Nov 8.
I don't think it ever appeared in
just this form in America. It
should always be borne in mind
that since July 1, 1880 no record
has been kept of the immigration
from & through the British possessions
and Mexico. This has been large
especially into New England & the
far Northwest.

Trusting that these figures
will serve your purpose

I am

Albion W. Sawyer Esq
Mayoelle N.H.

Yours truly

Oliver Thompson
