Dear Sir:

In a VOICE prospectus we are about to issue,
we would like to quote you a contributor to a forthcoming symposium
on the subject: *To What Extent Can Political Action
State or Federal, Solve the Race Question in the South?*

We shall not want your article (one of 500 words) before
the middle of January, 1891. Will send you a formal request for
it in the course of the next six weeks.

Are we at liberty to use your name in this way? Kindly
let us have your answer by return mail.

Respectfully,

Editor *The Voice*
