Hon. A. W. Tourgee,

Mayville, N. Y.

My Dear Sir: -

On receipt of this will you please advise me by first mail on what train you will come on Friday next. Try and take an early morning train, if there is one, as I would like to have some friends meet Mrs. Tourgee and yourself at an early dinner before we go to the Fortnightly. Advise me, therefore, what time the train will arrive in Buffalo and on what road so that I can meet you at the depot.

With kind remembrances to Mrs. Tourgee, believe me,

Very truly yours,

*H. A. Richmond*
