

5105

Dec.

Forestville Nov. 12th 1900

Mr Souger

Yours is rec'd together
with circulars. You didn't
state a definite price for
which you could send me
a book singly & I can't at
present send for the set
which I would so much like
to & venture to send you
ninety cents for "Figs & Thistles",
hoping that you may send
it immediately (as I wish it
the week before Christmas).

Yours Respectfully

Helena McManus
