

Madison, N. J.
Decr 13, 1890.

My dear Sir:

I have read with great interest your article in the Interocean on the Life of Bishop Simpson. I fully agree with you that Methodism is & must be a growing organization, & that it has done well in passing beyond its early forms. From your familiarity with the subject I gather that you have been in close association with Methodists for a long time.

My hope is that my book may reflect Methodism

to the public at large, &
I thank you heartily for
calling attention to it,
so generously.

Yours very sincerely
