Dear Sir,

Your conclusive telegram is
at hand. Good! Finis, it is!

A.B. Don't you think the
"Meadow Brook Association" is rather
a peculiar title for the clerical
being embracing pastor of a
great metropolitan district & you
can't have the Golden Rule in
a big city & in a country dist.
at the same time.

How would it do to
drop the name altogether: speak of
it just (as you have done) as "the

Ministerial off. of wh. Munk
Cartman was a member "of
after that simply as "the Associa-
tion" ?
