(*) I think you have known me since 1848.

I guess you never heard that I had any ailment before July 21 1861.

I think I was usually esteemed not only sound but as having a tendency to "toughness".

You saw me in 1863-1864
1865 - 1868 - 1870 - 1880 - 1882
or 83 - 1887. I think, sometimes
a day or two; sometimes only
a few hours at a time.

As to the rest you know
more than I do.

Yours
