The Cosmopolitan Magazine.  
Editorial Department. July 1<sup>st</sup> 91

My dear Mrs. Powege

I had the pleasure of reading  
Indy Dances. MS. last night and  
will have a cheque forwarded as soon  
as I reach my office tomorrow.  
Such an introduction to the readers  
of the Cosmopolitan will make them  
anxious for further contributions from  
him. The story is capable of excellent  
illustration. Will your husband  
kindly let me know if he has  
any war time photographs which  
would serve to guide the artist.

You will I hope appreciate the

necessity I am under of reading  
all MSS. before it is possible for  
me to decide upon publication  
May I hope that with such an  
understanding you will favor the  
Cosmopolitan in the future. With  
kind regards to Judge Pomeroy

I am

~~My sincerely yours~~

John Birken Meeker

P.S. Please find cheque enclosed  
to the amount of \$200.00.
