Dear Mr. Pongee

All right about
the Editorials. Thank. What time
next week are you to be here?
I have had no vacation this
year, and was just about to
run off for a week. Was going
Wed. night or Thursday morning.
Shall you be here Tuesday or
Wednesday? I have written to
friends to expect me Thursday
and, as I am compelled to
be back by the Wed. or Thurs.
following, am anxious to get off.

Do you happen to
know whether "McEastman's"
Study of the Labor Problem while
during a hard year is founded
on fact? It has been objected
by an critic (verbally) that that
was an unimportant episode.
It doesn't seem so to me
— altho it is not novel, as

Cause. But so many of the
Ink's strange fictions are
fact, that I am curious —
more, interested — to know
about this one.

Yours truly
R. Howard
