Mayville, N. Y.

Dear Sir.

I enclose a copy of a letter that was prepared by Messrs Orr, Craig, Gibbs, Standforth and Browne, and printed on their different letter heads, to send out to a few of their eastern personal friends, and I thought that I would take the liberty of sending you a copy - It will explain itself. If you or any of your friends are desirous of making an investment I am very confident that you would find this a very favorable opportunity - As intimated in the letter several directors will be chosen to represent different sections in the east. We would be glad to have the pleasure of including you amongst the number - You will possibly remember me when I recall the occasion of having first met you at Chautauqua, and afterwards at East Liverpool, Ohio.

Very Respectfully,  
M. S. Hill.
