My dear Sir, I am

*a constant reader of your "Notes" in the
Inter Ocean and know that you believe
in national citizenship. I am just
as strong an advocate, but do not
have the chance to be heard as you.
Now the object of this letter is this:*

*Mr — and I are in a controversy over
the "race" problem; and have agreed to
settle it, by written arguments to be published
in a local paper. What I want to know
is this "Will you assist me in the
reply to his article." His will appear one
week and mine will follow some few
weeks afterward. Your notes which I have
clipped from the Inter Ocean will be of valuable aid
to me.*

*Hoping to hear from you & an yours in Rep.
F. M. Ingler.*
