Dear Sir,

Having looked in vain for
any article from your pen concerning
the Lodge Election Bill, I take the
liberty of asking you to answer the
following questions in regard to
the bill.

1. Is the bill practicable?
2. Would it accomplish its purpose?
3. Would it seriously affect trade
between the North and South?
4. Would the good results caused
exceed the harm done?

Hoping that it will not be
too much trouble for you to favor
me with a brief reply,

I am, yours respectfully,
Geo. M. Woodward.

Dear Sir:

I discuss all such questions regularly and at length in the Saturday day Inter-Ocean of Chicago Ill.

I suppose that during the past six months I have had at least twenty articles discussing every phase of that question. They are reproduced in ~~the~~ the weekly ~~Inter-Ocean~~ edition of that paper which can be obtained for \$1.00 a year. Any one desiring to know answers upon such questions can easily obtain them. I presume that by subscribing for the weekly to begin with Oct or Nov, last you would get the fullest discussion of the subject yet written.

Of course ~~you~~ I could not answer fully your questions in private letters.

Yours
