My dear Mr. ^{Wm} "Fougee

I do not
now remember the exact
brand of wine to which
you allude. especially
whether it was red or
white. It was
a Rhine wine, from
Reisen's 5th St. at
Chestnut; and it was of
a grade about 1.25 a
bottle.

If you can recall whether
it was red or white and
will write to Reisen naming
price of wine wanted he
will send to you promptly

I am so much out of
general practice that I
am not as well posted
in such matters as
formerly. I am sorry
I did not get to see
the Judge. Please make
my kind regards to him
when you write. I trust
Lottie is much better.

Yours sincerely

J. H. Thomas
