Judge Albion W. Tourgee,
Wayville, N. Y.

I am a Republican.

I served nearly four years in the Army during the war. I admire the Chicago Inter-Ocean and have been a subscriber to it from the time of its first publication. But I seldom read Bystander's Notes. Why did you not pay your honest debts and not permit your wife to be put in jail. Shame on you. The Republican party has suffered terribly lately by having such villainous leaders as Mr. S. Quay and his tool Delamater. Scoundrels like them will wreck the purest political party in the world. Pay your debts and redeem your character or get out of the Republican party and join the party of official swindlers.

Yours in Earnest
Ex. Pres. Franklin Frosthite, D. D.
