Dear Sir

Enclosed find itemized bill, showing state of your acc to date, you requested that bills be sent frequently but I have been very busy and did not attend to it as promptly as I knew you desired, but hope you will excuse the delay

I also enclose a statement of the note that was at Bank, I took it up and now hold same ~~in~~ my safe at store, as this some time past due, I should be pleased if you could take it up soon as I need the amount to use in my business, If not convenient for the whole amt, a portion would be very useful to me just now

Yours Very Truly H. Sibbey
