Dear Judge Touger:

Thank you for  
your letter — best the  
list of names for  
the Coe to amount in  
which. I am sure you  
will probably be able  
to lay on the shoulders

of our friend Dr. : who  
bearing the burden of 2 par-  
-ties will not mind the  
slight an additional one.

But if you'll jog his mem-  
-ory & send us the list -  
we shall be much

Thankfully Yours

W. W. F. Rowland
