

Buffalo N. Y. Feb 9th 91

Dear Mrs Bourgie.

There was hardly time
to write you a letter after receiving
the prescription Saturday morning Feb.
I mailed the capsules Saturday noon
and hope that you received them
before the judge started away. En-
closed I return the original prescrip-
tion. My name I saw appeared on
the box of capsules and I suppose
to my writing the double of the original.
I shall be very glad to do you any ser-
vice in Buffalo at any time that I
am able. Notice in yesterday's Ex-
press an announcement of Miss Lodie's
great success, and of the many favor-
able comments from various sources -
I am sure all her friends are as proud of
her as you have reason to be -
With kind regards Dall

Yours
