Dear Mrs. Tourgee

We have written

Mr. Williams aiming to promote
his scheme for marketing "Mer-
vale."

Sent a copy to the wilds
of West Va today to Rev.
Webb, who caresses for us,
asking him to read it and
to strike for a run on it.

We are getting up a dodger
with Bishop Vincent's signor's
letter for wide distribution
thro' the trade.

Very truly
Hulbert
