The feather-trimming will be finished  
on Wednesday of this week and I would  
like very much to know if I shall  
order the tips or coupons. I presume that  
Miss Lougie has told you by this time that we  
need 3 more ornaments for the tea gown although  
it looks quite pretty without them. I have sent  
for her to have the school dress fitted. Will you  
also let me hear your opinion of the 2<sup>nd</sup> waist  
for the red dress. Yours truly  
E. K. Boyd.
