Hon. A. W. Bourgee,
Mayville N.Y.

Dear Sir,

Some two years since you wrote me that you thought you could send me the \$75⁰⁰ by the 1st of October following.

I have not been well for about a year or since I first had La Grippe and am going to spend a few weeks in Masonia and Texas. I intend leaving this week or next and if you will send the amount I will esteem it a favor. Excuse chasty writing. It is the best I can do.

Kind regards to all,

M H Goss
