

Feb. 23. 1891.

Dear Mr. Surge:-

The evening dress and
the plum colloid, have been
sent home and look very
pretty. I hope Miss Fortgee
and yourself will like them.
If possible I will make you
wrapper next week as soon
as I hear how you decide to
have it trimmed. I hope the
bills will be satisfactory which
I enclose.

Very truly yours

E. H. Boyd.
