Washington, D. C.

Feb. 28 - 91.

My dear Judge:

"Marvale Eastman" has arrived and am sure he may count - all the "Fisher family" among his friends.

I thank you so much for the remembrance and the very nice <sup>letter</sup> which accompanied it. - I think it does me good to receive a little flattery occasionally.

We are all delighted with  
Leo's success and expect  
this is but the beginning  
of great works on Art. - I  
can well imagine it would  
take something as substan-  
tial as frippes to keep a  
young girl's head down, being  
so fertile -

I do hope we may see  
you all this Spring  
Are now in our new home  
where we would be happy  
to do what we can for your  
comfort. - Should you visit -  
Washington, - as you thought -

your own - do very - naturally - after the  
learning out - of long -

Let the person we can have for  
pound and work

Wm. - your  
W. W. Fisher -
