Dear Judge:

I am laid up to day with a lame back, been riding over the hubs and cant reach a perpendicular. I want to know if you can help me out of a hole. I have a piece of real estate in Washington on which a note of something like \$600. is due in the Spring last of Apl or 1st of May. I'd like to pay it off & stop interest & own one piece of property absolutely. If you can assist me to the extent of your note I think I can make up the rest. I have been pretty well this winter until within the last two weeks. I have shingled my back with porous plasters but they dont seem to take out the kink & I have to go humped over. Let me hear from you if you can let me out of the mess I am in. - I'd like to get a clear title

To this I have done with it & left the taxes. If they don't put a bigger School House near it I think it will be valuable. At least will pay good interest & taxes. We will get a new Senator from California now that Mr. Keast is dead. It is ungracious to say so & I ~~don't~~ didn't wish his death. But am glad that one of our kind will succeed him.

Sincerely
