COR. SPRUCE & WILLIAM STS.

New York,

(Dictated by R. E. B.)

Mrs. Emma K. Tourgée,

Mayville,

N. Y.

Dear Madam:

Your letter giving up any claim to the proceeds of the foreign serial rights of "A Son of Old Harry" received. Mr. James R. Osgood, formerly of Boston, now of London, leaves for England to-night, and he will undertake the negotiations for the foreign serial rights of "A Son of Old Harry" in connection with some other LEDGER matter, but it is not sure that he will do anything. We hope, however, that Mr. Osgood will meet with more success than he anticipates, notwithstanding he seems to speak the same as all others about the English serial market being overcrowded.

Very truly yours,

Chas. James Lee
