New York. March 13th 1888

Hon. Albion W. Tourgee,
Chairman of Co-operative Committee,
Chautauqua County, N. Y.

Dear Sir:--

Will you kindly let us know at once what is the condition of your County Jail, and the number of prisoners confined there on the first day of March of this year?

Do you think it desirable for us to send more books for your jail library?

Are you greatly troubled with tramps in your county?

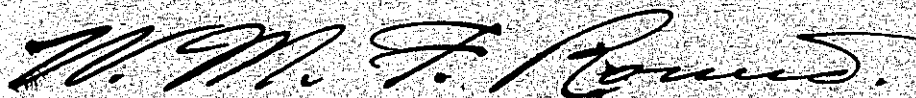

Can you send a delegation to New York to attend a Conference of our County Committees, to be held in April?

Will you kindly send us names that you think it desirable to add to your County Committee to bring the number to fifteen, and also notify us of any changes in your organization?

Will you give us suggestions as to changes that you think should be made in the jail laws?

I am,

Yours truly,

Corresponding Sec'y.
