Mrs. Emma K. Tourgée;

Mayville, N. Y.

Dear Madam:

We received by registered mail this morning the first of part fourth ("John Howgood") of "A Son of Old Harry." We received your letter of March 11th yesterday morning, March 13, saying that this portion of the fourth instalment had been sent.

It does seem as if the post office facilities between New York and Mayville are not what they should be.

Yours very truly,
