NEW YORK,

Sept 1889

Dear Judge

Here is the program
for Friday night. I have asked
Sherman to aim at 35 min
for his opening, & 15 for his
closing. If you would fix your
Eagle eye on 45 min. it
would be better than longer.
— however good longer would
be!

Hope it you will
come to my office, go out
with me, and spend the
night. It is the easiest
way (tho you could come
back to N.Y. same evening
if you preferred). S

I shall look out for you
during ride. I go out on
4.20 train; leave office
five minutes before 4.

In haste
Truly,

JRM
