My dear Judge

I am in receipt
of your valued letter of
11th inst. I am glad
you are coming so soon,
we shall be ready for
you & Mrs Tourgic at
any moment

Undoubtedly any arrange-
ment you make for pub-
lishing will be satisfactory
to me, as I am in no
way disposed to stand
on fine points. I am
only afraid I do not
understand things well

enough yet to give
you a satisfactory
reply to a proposal
by telegraph.

I find quite a
number of important
words on Columbus,
which I lack, in the
catalogues sent me,
all of which I am
ordering. Harmer,
Director of Am. Adv. of which
I enclose, is I should think
important, though not to appear
until next spring. I will write
to Mr Stevens and see if
I cannot get the sheets, some
of them, in advance of
publication. Very sincerely
H. N. Bancroft
