Mr. Judge Temple,  
N.Y.C.

Dear Mr. Clark

has reported the substance of  
his interview on our behalf  
with you yesterday. You certainly  
have a great volume on hand  
and we wish you all success  
with it. He reports that the  
price you put on it places  
it beyond our further con-  
sideration. Therefore we wish <sup>you</sup>

to go right ahead without  
stopping any further about  
us in regard to this matter.  
I regret that I could not  
have been present yesterday,  
but I am still confined to  
the house. Mr. Eldredge says  
you are full of enthusiasm and  
confidence in the subject, and  
I do like to hear an enthusiastic  
talk when he does get the right  
stuff back of him.

With kindest regards to  
Mr. Frazier, I am, My best regards  
Wm. Edwin P. Mason
