Dear Sir - A friend sent
me an Allenton Tex "Statesman"
filled with laudations of
Jefferson Davis - by members
of the Legislature & other
prominent men of that state,
and I have forwarded
same to you, thinking the
"Bystander" might possibly
have time to say something
on the subject -

I recently made an extended
trip through Texas - La. ^{Ark Miss}
& from all I could see & learn, the
political improvement is very
slight. Any man who believes
in justice to the negro has
no business in this country.

THE OLD THORN IN THE UNION'S SIDE.

Kansas City Journal: We may boast of our Constitution as much as we like, but the fact remains that this State sovereignty business is out of joint with logic, either in relation to foreign or domestic affairs.
