Albion W. Tourgee,

I took

"Our Continent as long
as it was published have
I believe, read all your
books, own most of them,
and love them all,
but I think "Mervale
Eastman" the best of all.
Will you not now, please
investigate thoroughly,
the Single Tax theory,
and bring that question
into your next novel?
Grateful for the good
you have already done
by your writings, and
hoping that you will

do much more in the
future, I am very sin-
cerely your friend,
Hannah T. Pauls.
