

OFFICE OF THE NEW YORK LEDGER,

P. O. BOX 3263.

COR. SPRUCE & WILLIAM STS.

New York,

March 30,

1891

(Dictated by R. E. B.)

Hon. Albion W. Tourgée,
Mayville, N. Y.

Dear Sir:

Enclosed please find copy of literary note which Mrs. Tourgée sent us. It will be sent out in this form to our Exchange List of over 2,000 papers. I also enclose copy of advertisement sent to the Chicago "Inter-Ocean." It is just possible that there may be a telegraphic announcement on Saturday, stating that Judge Tourgée's new novel, for which he is said to have received ten thousand dollars, will appear in the LEDGER of that date. If, however, such an announcement will not be agreeable to you, kindly let us know by return mail, and we will use our influence with Mrs. Grundy to have her omit the figures, and we have no hesitation in assuring you that we feel confident of success in making her comply with our wishes in the matter.

Yours very truly,

Robert Bonner's Son,

We also enclose a front page of the Ledger which will be sent into the news stands by the American News Company.
