Dear Sir,

Dear Sir,

I am not  
mistaken. The item, your  
copy from Covington Ga.  
is the first drop in the  
coming deluge of lies,  
whereby Democracy in-  
tends to convince the  
north that laws are  
impartially enforced in  
the South and negroes pro-  
tected; The Campaign of  
1890 showed, that the Demo-  
cratic Cruels, encouraged  
by the success of their  
former falsehoods in

relation to Carpet Baggers  
and Reconstruction have  
adopted the policy of un-  
limited lying.

A close alliance exists  
between the chiefs of the  
Democracy and the secret  
religious order which  
controls the Catholic Church  
and all the wisdom of  
the astute Jesuits aids  
them. Never before has  
the experiment been  
tried, by systematic de-  
liberate carefully ar-  
ranged falsehood to rule  
a great Nation.

Yours

J. Brewster
