Buffalo Wed. Apr. 1, '91.

Dear Mrs. Fougée

Your letter of Feb. 13<sup>th</sup> was highly appreciated.

I was glad that the Judge cared for my opinion.

It was expressed promptly and heartily

because I felt the book to be a book

of remarkable power and peculiarly adapted

to our times.

Your husband is a man of great

rigor & versatility with lofty ideals. I have ad-

mired him for years. I am doing all I

can to push "Marwick Eastman."

Ever Yours, John H. Vincent.
