

Personal,

Germania. Wis., April 15, 1891
Highly Honored Friend,

Have just read the "Pystander
notes" in Inter Ocean Apr 14 - issue,
I get every one to read them I can here,
+ in the South!

I am 52 years of age
a Republican since my majority,
My Father was an Abolitionist +
from a good Whig stock.

I was in the late war 2 years,
Wounded in Siege of Petersburg, Va.

How any one can (and especially
a Soldier) take any different view on
the race question "so called" from those
set forth in your writings, I cannot
see.

Yours for the right which will
prevail sooner or later.

R. M. Parker,

To -
Judge Albron W. Bourge, Co. H. 39, Wis. Inf. The Army
